

Fond Blanc Foundation - 120 sec

VO:	In 2010, an earthquake hit Haiti and many of the people living there watched as their lives crumbled around them. Out of the rubble, community leaders built an orphanage in the small mountainous community of Fond Blanc.
VO:	Now, the orphanage is home to 54 children, where they are provided health care, education, and hope.
VO:	The Fond Blanc Foundation covers all costs associated with the orphanage. We are asking for your support as we continue to enrich these children's lives with nutritious and sanitary meals, essential health care, and a basic education. 100% of the donations and sponsorships go towards supporting the children.
VO:	This September, we invite you to be a part of our family-friendly fundraising event at the KEVA Sports Center in Middleton. Join us for a day of fun, games and appearances from Badger athletes and coaches as we come together to support these children. The event will take place on September 20 from 1-4 pm.
VO:	For more information or to show your support in enriching these children's lives, visit us at Fondblanc.org . Sponsor smiles with the Fond Blanc Foundation.

Fond Blanc Foundation- 60 seconds

VO:	The Fond Blanc Foundation is an organization that supports an orphanage of 54 children in the small, mountainous community of Fond Blanc, Haiti.
VO:	We are asking for your support as we continue to enrich these children's lives with nutritious and sanitary meals, essential health care, and a basic education. 100% of sponsorships and donations support the children.
